

element61 CCH Tagetik Day 2022

Date : June 14th, 2022 | Venue : Van der Valk - Mechelen
Address : Rode-Kruisplein 1-4

Timing	Session
12.00-13.00	Walking Lunch
13.00 - 13.15	<p>Introducing element61 & Wolters Kluwer</p> <p><i>Frederic de Schutter, Partner Business Analytics - element61 & Roel Haverland, General Manager - CCH Tagetik</i></p>
13.15 - 14.00	<p> The CCH Tagetik Finance Transformation Platform explained & Roadmap</p> <p>Learn how the CCH Tagetik Finance Transformation Platform connects finance and operations with an extensible platform and powerful data engine. In one solution, you can complete all financial processes and access the information you need to gain better insights, make faster decisions, and drive your business in the best direction. We will also give you insight in latest novelties added to the platform such as ESG and SmartInsight. We will end with an explanation of the expected roadmap.</p> <p><i>Bjorn Van Damme - Partner element61 & Gerard van Rooijen - Solution Architect CCH Tagetik</i></p>
14.00 - 14.30	<p>  Consolidation and Management Reporting at Unified Post Group</p> <p>Unifiedpost Group is a pan-European Fintech company that helps customers structure complex financial administrative processes by delivering simple, smart, digital solutions. Due to the rapid growth and the associated increasing reporting requirements, Unified Post Group decided in 2021 to move to a more robust CCH Tagetik based reporting environment. During this session they will provide insights into their journey, what they have realized so far and what the next steps will be.</p> <p><i>Koen De Brabander - Operational Finance Director & Anke Haesendonck - Consolidation & Group Reporting Manager</i></p>
14.30 - 15.10	<p> Accelerate your close using CCH Tagetik Account Reconciliation</p> <p>Discover how CCH Tagetik Account Reconciliation creates consistency across all accounts by harmonizing data company-wide and standardizing methodologies. Instead of spending hours investigating a discrepancy, our pre-packaged solution flags high risk items instantly, automating account reconciliation and freeing you up to work on value-added tasks and can be implemented quickly.</p> <p><i>Günther Debiscop - Consultant & Trainer CCH Tagetik</i></p>
15.10 - 15.30	Coffee Break
15.30 - 16.15	<p> CCH Tagetik Analytical Information Hub Modelling Guidelines and Best Practices</p> <p>The Analytic Information Hub (AIH) is a game-changing performance engine enabling you to perform driver-based planning, detailed profitability analysis, and integrated business planning and reporting underpinned by high volumes of granular financial and operational data connected to the core financial layer of CCH Tagetik. In this session we will share several modelling guidelines and tips & tricks that will allow you to get the best return out of your applications.</p> <p><i>Jonathan De Pauw - Principal Tagetik Architect - element61</i></p>
16.15 - 16.45	<p> Using AIH to improve Financial Planning & Analysis at a leading Belgian Financial Institution</p> <p>One of the leading Belgian Financial Institutions decided to replace their Microsoft based FP&A environment with an integrated FP&A solution powered by CCH Tagetik's AIH. During this session they will share how their objectives were realized and which lessons they have learned.</p> <p><i>Teamleader Financial Planning & Control - Leading Belgian Financial Institution</i></p>
16.45 - 17.00	Wrap-up and future sessions
17.00 - 19.00	Networking Reception
